Your donation.

1. Your recent donation of \$50.00 toward our operations here in Edmonton is greatly appreciated. Receipt is enclosed.
2. We sign up a very occasional member and also lose the odd one, so our strength - especially our active strength - remains about the same. We are able to keep the office open.
3. However there is a slight but noticeable increase in interest by the general public, we think.
4. I'm enclosing a couple of items which may interest you. We have not put out another bulletin in recent months.

Thanks again,

Walt Fryers,
Organizer, 11353.

Items enclosed —

- ① Murphy's column & my response.
- ② Brief to Ministry Advisory Committee on University Affairs

Greetings Ralph:

Many thanks for your generous donation of \$200 toward the operating expenses of this unit. I enclose a receipt to cover. Louie Kildaw passed it to us on the 4th of Sep. when he passed through here on his way back home after the meet at Vancouver. However I was away until this past Sunday, the 23rd. Hence the delay in handling it.

I'll put your name on our mailing list for any items that we distribute, such as our Newsletter and Calendar. However we have not been able to keep to any regular schedule due to lack of manpower support. There are only about 10 of us active. Nevertheless I have reason to think that our impact far exceeds our numbers, so we will keep on slugging away. Donations such as yours mean a lot toward keeping us in business and extending our contacts.

For 11353-A,

Walt Fryers, Org.
